## About the College

SCAD College of Engineering and Technology (SCADCET), an NBA Accredited Institution, approved by AICTE & affiliated to ANNA UNIVERSITY CHENNAI, It's an ISO certified institution and recognized by UGC under the section 12(B) & 2(f). SCAD CET is a premier engineering college located in a sprawling 300 acre campus at Cheranmahadevi, a quaint town in Tirunelveli District, Tamil Nadu. The college is managed and run by SCAD Educational Trust of the SCAD Group of Institutions and offers engineering courses in the undergraduate as well as postgraduate degree level. It also provides management and computer application courses at the postgraduate level. Students of Scad College of Engineering and technology are given the opportunity to pursue first-rate and advanced technical education regardless of background, gender or financial constraints. The necessity to promote most advantageous learning and service is well harmonized and clearly expressed by allowing students to successfully plan their education and competently achieve the education they need. Curricular and co-curricular programs form an integral part of the curriculum and help students to have commanding incorporation of theory and practical knowledge. Each individual is motivated to increase the gravity of responsibility and be committed to serve the nation.

## 4<sup>th</sup> International Conference on Data Intelligence and Cognitive Informatics

# ICDICI 2023

27-28, June 2023 | Tirunelveli, India

## About the Conference

In this era of big data, data analysis and management is emerging as a significant research field with a vision to manage the data from an information perspective. Recent, the data intelligence domain combines with the increasing efforts of Artificial Intelligence, Machine Learning, Deep Learning and Cognitive science to study and develop a deeper understanding of the information processing systems. Furthermore, the new cognitive informatics tools, algorithms and methods that mimic the mechanisms of the human brain will lead to an impending revolution in understating a large amount of data generated by various smart applications. This 4<sup>th</sup> International Conference on Data Intelligence and Cognitive Informatics [ICDCI 2023] welcomes researchers, academicians, scholars, and industrialists across the globe to join the international research initiative on data intelligence and cognitive informatics towards investigating the evolving information processing systems, and for the development of next-generation cognitive informatics and communication technologies.
